We conducted our audit in accordance with generally accepted auditing standards in the U. NOTES TO FINANCIAL STATEMENTS June 30, 2002

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Reporting Entity:

In 1964, the State of Louisiana passed Act 456 which authorized the charter of voluntary councils on aging for the welfare of the aging people in their respective parishes. Charters are issued by the Louisiana Secretary of State upon approval by the Governor's Office of Elderly Affairs. The Concordia Council on Aging, Inc. is a non-profit corporation which must comply with the policies and regulations established by the Governor's Office of Elderly Affairs. The Council also receives revenues from other federal, state, and local government agencies which may impose certain restrictions on how the Council can use the money provided.

The Council is not a component unit of another primary government nor docs it have any component units which are related to it. Therefore, the Council has presented its financial statements as a separate special-purpose government.

The primary function of Concordia Council on Aging, Inc. is to improve the quality of life for the parish's elderly and to provide services to the elderly of the parish. Such services include providing a location for meals, nutritional education, information and assistance services, chore services, operating senior centers, and transportation. A Board of Directors, consisting of voluntary members who serve three-year terms, governs the **Council**.

B. <u>Presentation of Statements</u>:

In April of 1984, the Financial Accounting Foundation established the Governmental Accounting Standards Board (GASB) to promulgate generally accepted accounting principles and reporting standards with respect to activities and transactions of state and local governmental entities. In November of 1984, the GASB issued a codification of governmental accounting and financial reporting standards. This codification and subsequent GASB pronouncements are recognized as generally accepted accounting principles for state and local governments.

NOTES TO FINANCIAL STATEMENTS June 30, 2002

B. <u>Presentation of Statements</u>: (continued)

The accompanying financial statements conform to generally accepted accounting principles for state and local governments. These statements have incorporated any applicable requirements set forth by <u>Audits of State and Local Governmental Units</u>. the industry audit guide issued by the American Institute of Certified Public Accountants; Subsection VI - Annual Financial Reporting, accounting manual for Governor's Office of Elderly Affairs contractors; and, the <u>Louisiana Governmental Audit Guide</u>.

C. Fund Accounting:

The accounts of the **Council** are organized on the basis of funds, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues, and expenditures. Governmental resources are allocated to and accounted for in individual funds based upon the purposes for which they are spent and the means by which spending activities are controlled. The various funds are grouped, in the financial statements in this report into two generic fund types and one broad fund category (account group).

Governmental Fund Types

Governmental funds are used to account for all or most of the Council's general activities, including the collection and disbursement of specific or legally restricted monies, the acquisition of fixed assets, and the servicing of general long-term debt.

The governmental funds and the programs comprising them as presented in the financial statements are described as follows:

NOTES TO FINANCIAL STATEMENTS June 30, 2002

C. Fund Accounting: (Continued)

General Fund

The General Fund is the general operating fund of the Council. It is used to account for all financial resources except those required to be accounted for in another fund. These discretionary funds are accounted for and reported according to the source (federal, state, or local) from which they are derived. In addition, the servicing of general long-term debt is accounted for in the General Fund because unrestricted resources are used to pay for the liabilities incurred by this fund and there are no legal mandates to use a debt service fund.

The following programs comprise the Council's General Fund:

Other Local

Revenues, such as, (1) donations from the general public, (2) income from various fund raisers (3) program service revenue from renting Medic Alert units and providing Medicaid services, and (4) interest income carned on idle funds which have been invested, have been recorded in the "other local" program of the General fund. Expenses incurred which are not chargeable to specific programs are recorded at "other local" program expenditures. Also, expenses incurred to produce related program service fees and fund raising income are charged to "other local" program expenditures. "Other local" funds are also used as transfers to special revenue funds to supplement those programs. In addition, fixed asset additions are generally paid with "other local" funds.

Title 19 Medicaid

Louisiana Department of Health and Hospitals reimburses the Council for transportation of Medicaid patients to medical appointments.

NOTES TO FINANCIAL STATEMENTS June 30, 2002

Special Revenue Funds

Special Revenue Funds are used to account for the proceeds of specific revenue sources (other than special assessments and major capital projects) that are legally restricted to expenditures for specified purposes. Most of the Council's special revenue funds are provided by GOEA. The Title III funds are provided by the United States Department of Health and Human Services - Administration on Aging through the Governor's Office of Elderly Affairs to Cenla Area Agency on Aging, Inc. who funds the Council on a predetermined unit cost reimbursement basis up to the contract amount.

NOTES TO FINANCIAL STATEMENTS June 30, 2002

C. Fund Accounting: (Continued)

Special Revenue Fund (continued)

Account Groups

An account group is a financial reporting device designated to provide accountability for certain assets and liabilities that are not recorded in the funds because they do not directly affect net expendable available financial resources. The following account groups are not "funds".

General Fixed Assets

The fixed assets (capital outlays) used in governmental fund type operations of Concordia Council on Aging. Inc. are accounted for (capitalized) in the General Fixed Assets Account Group and are recorded as expenditures in the governmental fund types when purchased.

D. Basis of Accounting:

The accounting and financial reporting treatment applied to a fund is determined by its measurement focus. The governmental funds, including the General and Special Revenue Funds, are accounted for using a current financial resources measurement focus. With this measurement focus, only current assets and current liabilities are generally included on the balance sheet. Operating statements of these funds present increases (revenues and other financing sources) and decreases (expenditures and other uses) in net current assets.

Governmental funds are maintained on the modified accrual basis of accounting wherein revenues are recognized in the accounting period in which they become available and measurable. Expenditures are recognized in the accounting period in which the liability is incurred, if measurable.

NOTES TO FINANCIAL STATEMENTS June 30, 2002

E. <u>Transfers</u>:

Advances between funds which are not expected to be repaid are accounted for as transfers. In those cases where repayment is expected, the advances are classified as due from other funds or due to other funds on the balance sheet. Short-term interfund loans are classified as interfund receivables/payables.

F. Budget Policy:

The Council follows these procedures in establishing the budgetary data reflected in these financial statements.

- The Cenla Area Agency on Aging, Inc. notifies the Council each year as to the funding levels for each program's grant award.
- The Council may also obtain grants from agencies other than GOEA and the Council considers the potential revenues to be earned under those grants.
- Projections are made of revenues from other sources based on past trends and data available to form expectations of future revenues.
- The Executive Director prepares a proposed budget based on the funding levels provided by Cenla Area Agency on Aging, Inc. and then submits the budget to the Board of Directors for approval before May 31 of the current year for the following year.
- The adopted budget is forwarded to the Cenla Area Agency on Aging, Inc. for final approval.
- All budgetary appropriations lapse at the end of each fiscal year (June 30). Occasionally, the **Council** will receive a special project grant which may operate on a period different from the **Council's** normal fiscal year, and therefore, have a specified date where the budgetary appropriations will lapse.

NOTES TO FINANCIAL STATEMENTS June 30, 2002

F. <u>Budget Policy</u>: (Continued)

- The budget is prepared on a modified accrual basis, consistent with the basis of accounting, for comparability of budgeted and actual revenues and expenditures.
- Budgeted amounts included in the accompanying financial statements include the original adopted budget amounts and all subsequent amendments.
- Actual amounts are compared to budgeted amounts periodically during the fiscal year as a management control policy.
- The Council may transfer funds between line items as often as required but must obtain prior approval from the Cenla Area Agency on Aging, Inc. for funds received under grants from GOEA.
- The Council is not required by state or local law to prepare a budget for every program or activity it conducts. Accordingly, some General Fund activities are not budgeted, particularly if they are deemed to be immaterial by management.

G. Total Columns of Combined Statements:

Total columns on the combined statements are captioned "Memorandum Only" to indicate that they are presented only to help with financial analysis. Data in these columns do not present financial position, results of operations, or changes in financial position in conformity with generally accepted accounting principles. Neither is such data comparable to a consolidation. Interfund eliminations have not been made in the aggregation of this data.

NOTES TO FINANCIAL STATEMENTS June 30, 2002

H. <u>Fixed Assets</u>:

The accounting and reporting treatment applied to the fixed assets associated with a fund are determined by its measurement focus.

Fixed assets used in governmental fund type operations (general fixed assets) are accounted for in the general fixed asset account group, and are recorded as expenditures in the governmental fund types when purchased. No depreciation has been provided on general fixed assets.

All fixed assets are stated at historical cost or estimated historical cost if actual historical cost is not available. Donated fixed assets are stated at their estimated fair market value on the date of donation.

I. <u>Comparative Data</u>:

Comparative data for the prior year is presented in the accompanying financial statements to provide an understanding of changes in the Council's financial position and operations. However, presentation of comparative data by fund type is not presented in each of the statements since its inclusion would make the statements unduly complex and difficult to read.

J. <u>Restricted Assets</u>:

Restricted assets represent assets which are primarily acquired through donations whereby the donor places restrictions on how the donation can be used by the **Council** (i.e., utility assistance funds). Restricted assets are offset by reservations of fund balances.

NOTE 2 REVENUE RECOGNITIONS - INTERGOVERNMENTAL GRANTS, PUBLIC SUPPORT, AND MISCELLANEOUS REVENUES

Intergovernmental revenues are recorded in governmental funds as revenues in the accounting period that they become susceptible to accrual, that is, measurable and available (modified accrual basis). (Contracts do not allow the **Council** to recognize revenue until units of services are provided.)

NOTES TO FINANCIAL STATEMENTS June 30, 2002

NOTE 2 REVENUE RECOGNITIONS - INTERGOVERNMENTAL GRANTS, PUBLIC SUPPORT, AND MISCELLANEOUS REVENUES (Continued)

Act 735 funds are received as monthly allocations of the total grant in advance of the actual expenditures.

Public Support and Miscellaneous Revenues

The **Council** encourages and receives contributions from clients to help offset the costs of various programs. In addition, various fund raisers are held during the year to obtain funds to offset costs of general operations and senior center activities. The timing and amounts of the receipts of public support and miscellaneous revenues are difficult to predict; therefore, they are not susceptible to accrual and are recorded as revenue in the period received.

NOTE 3 IN-KIND CONTRIBUTIONS

The Council received various in-kind contributions during the year. Senior Center facilities were furnished in Ferriday and Vidalia to the Council without charge for rent or utilities by the Concordia Parish School Board and the City of Vidalia. The Council's administrative office and Senior Center were provided by the Concordia Police Jury without charge for rent or utilities.

NOTE 4 INCOME TAX STATUS

The Council, a non-profit corporation, is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code of 1986 and as an organization that is not a private foundation as defined in Section 509 (a) of the Code. It is also exempt from Louisiana income tax.

NOTE 5 FUND BALANCE - RESERVED

Fund balance - reserved - special revenue fund consists of amounts to be specifically used for utility assistance.

NOTE 8 COMPENSATED ABSENCES

The Council's employees earn vacation and sick leave at a rate of one hour for every twenty hours worked for employees with less than five years service and one and one quarter hour for every twenty hours worked for employees with five years or more of service. Upon separation of service, an employee is paid for unused annual leave, but not unused sick leave. The amount of accumulated annual leave at June 30, 2002 is immaterial and not reflected in the financial statements.

NOTES TO FINANCIAL STATEMENTS June 30, 2002

NOTE 9 CASH IN BANK

The Council maintains a consolidated bank account to deposit the money it collects and to pay its bills. The consolidated bank account is available for use by all funds. The purpose of this consolidated account is to reduce administration costs and facilitate cash management. The consolidated account also allows those funds with available cash balances to cover any negative cash balances in other funds at year end. At June 30, 2002, the balance of the Council's consolidated bank account was \$82,851. The related bank balance (collected deposits) at that date was \$99,668. The Council also maintains two certificates of deposit. At June 30, 2002, the balance of the certificates of deposit were \$65,042. All of the deposits were covered by federal depository insurance. GASB Statement 3 categorized the credit risk of these deposits as Category 1 because they are fully insured.

NOTE 10 JUDGEMENTS, CLAIMS AND SIMILAR CONTINGENCIES

There is no litigation pending against the **Council** at June 30, 2002. Furthermore, **Council's** management believes that any potential litigation would be adequately covered by insurance.

NOTE 11 FEDERAL AWARD PROGRAMS

The Council receives revenues from various federal and state grant programs which are subject to final review and approval as to allowability of expenditures by the respective grantor agencies. Any settlements or expenses arising out of a final review are recognized in the period agreed upon by the agency and the Council. Also, it is management's opinion that any audits by the grantor agencies would not produce disallowed program costs and liabilities to such an extent that they would materially affect the Council's financial position.

NOTES TO FINANCIAL STATEMENTS June 30, 2002

NOTE 12 ECONOMIC DEPENDENCY

The **Council** receives the majority of its revenue from contracts with Cenla Area Agency on Aging, Inc. If significant budget cuts are made at the federal and/or state level, the amount of funds contracted by Cenla Area Agency on Aging, Inc. could be reduced significantly and have an adverse impact on the **Council's** operations. Management is not aware of any actions that will adversely affect the amount of funds the **Council** will receive in the next fiscal year.

NOTE 13 RISK MANAGEMENT

The Council is exposed to various risks of loss related to torts; thefts of, damage to, and destruction of assets; errors and omissions: injuries to employees: and natural disasters. The Council has purchased commercial insurance to cover or reduce the risk of loss that might arise should one of these incidents occur. No settlements were made during the year that exceeded the Council's insurance coverage.

REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors Concordia Council on Aging, Inc.

We have audited the general purpose financial statements of Concordia Council on Aging, Inc. (a non-profit organization) as of and for the year ended June 30, 2002, and have issued our report thereon dated October 24,2002. We conducted our audit in accordance with generally accepted auditing standards in the U. S. and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether the **Council's** financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions is not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no material instances of noncompliance that are required to be reported under *Government Auditing Standards*.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Council's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operations that we consider to be material weaknesses.

This report is intended for the information of the Board of Directors, management and federal awarding agencies, and pass-through entities. However, this report is a matter of public record and its distribution is not limited.
